

Reiki II Class

WHO CAN ATTEND?

Accelerate your experience of love, health, happiness and full Self-expression by attending a second degree Reiki Class. The one prerequisite is that you have attended a Reiki I class and have been initiated into the power of Reiki.

WHAT IS INCLUDED?

The Reiki II class will include a review of the basic Reiki hand positions, self-treatment, and sharing Reiki with others. In addition, Reiki II includes scanning, beaming, long-distance healing and the use of the sacred symbols and words to enhance your Reiki abilities and skill.

THE SYMBOLS

The Reiki symbols and sacred words are like keys that open doors to higher levels of power, awareness and manifestation. The symbols are only revealed to those who take Second Degree Reiki and receive the attunement that empowers them. The symbols and words are used to enhance the Reiki power, to do specific emotional and mental healing, and to send Reiki to others at a distance.

THE INSTRUCTOR

Chris Jorgensen, Reiki Master Teacher, Attunement Master Teacher, CranioSacral Therapist, will integrate his 35 years of natural energy healing work and counseling into this class.
