

# REIKI ...

*Accelerate Your Experience of Love, Health, Happiness, and Full Self-Expression*

## WHAT IS REIKI?

Reiki (Ray-Key) is an ancient, hands-on healing method to reduce stress, relieve pain and facilitate healing and personal growth. This healing art was rediscovered by Dr. Usui, a Japanese spiritual educator, in his study of ancient Buddhist teachings.

Using specific attunements, the Reiki Master empowers you to transmit Reiki energy. Once attuned, you have this ability for a lifetime and can bring this energy daily to yourself to promote balance and harmony on all levels of your being.

Learn and practice the hand positions to give Reiki to yourself, others, animals and plants.  
Leave class a fully certified Reiki practitioner.

## WHAT MAKES REIKI UNIQUE?

- ~ Simple and Easy
- ~ Greatly enhances other healing methods
- ~ Releases old emotional patterns as it restores energetic balance
- ~ Compatible with all religions
- ~ Anyone, any age can learn it
- ~ Complete system of self-healing

## WHAT WILL REIKI DO FOR ME?

You have a powerful technique instantly available to you, because, all you need are your hands...hands on, Reiki's on: hands off, Reiki's off. You are revitalized as you do Reiki treatments, because the Universal Life Force is flowing through you. You are not using any of your own energy. You access inner wisdom and creativity as you develop expanded consciousness and spiritual awareness.
